

MECCANOCAR

4110000110 - Battery-powered backpack nebulizer 12L – 12V – 2,5Ah

Description

Backpack nebulizer with a capacity of 12 litres, equipped with an electric pump powered by a 12 Volt-2.5 Ah lithium battery, very light and practical, very comfortable to wear and use. For the irrigation and distribution of detergents, sanitizers, disinfectants, herbicides, and any type of product, including aggressive ones, thanks to the robust construction and FPM seals. Great autonomy of approximately three and a half hours, delivery pressure of 2.5 bar, water flow of approximately 1.3 L/minute, maximum throw distance of 6 meters. 2 hour battery charging time. Standard equipment: flexible hose, aluminum lance, fiberglass lance, nozzle kit and liquid filter, a 12 Volt – 2.5 Ah lithium battery, quick charger. Nebulizer weight: 2.87 kg.

Technical features

Maximum liquid capacity	12 Litri
Operating pressure	2,5 bar
Weight	2,87 Kg
Dimensions mm	340 x 230 x h 485
Lance length	68 cm
Hose length	128 cm
Volts	12
Ah	2,5
Maximum spray distance	6 m
Autonomy	3,5 ore
Water flow L/minute	1 – 1,3
Charging time	2 ore
